

THE LORD MAYOR'S SHOW ROAD CLOSURES ON 12 NOVEMBER 2022

Most roads in the City of London will be completely closed on the day of the Lord Mayor's Show from about 7am (6am in the Bank area), and will admit no traffic whatsoever.

The closed area extends from Kingsway in the East to Bishopsgate in the west, and from the river up to Holborn and Chapterhouse Street. All those perimeter roads are open; everything between them is closed.

Most roads will reopen by 4pm.

Please watch the Show's website and twitter feed for last minute changes of plan.
